#### Surf Race

With a running start into the surf from the start line on the beach, competitors swim around the 400 m (200 m for Youth & Woman ) course designated by buoys, returning to shore to finish between

#### Board Race

Competitors stand on or behind the start line on the beach with their boards 1.5 m apart. At the start signal, competitors enter the water, launch their boards, and paddle the course marked by buoys, return to the beach, and run to cross the finish line.

#### Board Rescue

In this event, one member of the team swims approximately 120 m to a designated buoy, signals, and waits to be picked up by the second member of the team on a board. They both paddle to shore and cross the finish line on the beach with the board.

#### Rescue Tube Rescue

Four competitors from each team participate in this event: a “victim,” one rescue tube swimmer, and two rescuers. The victim swims approximately 120 m to a designated buoy, signals, and waits to be rescued by the rescue tube swimmer. As they return to shore, the remaining two rescuers enter the water to assist. The event finishes when the first competitor in a team crosses the finish line while in contact with the victim.

#### Beach Flags

From a prone starting position on the beach, competitors rise, turn and race approximately 20 m to obtain a baton (beach flag) seated upright in the sand with about two-thirds showing. Since there are always fewer batons than competitors, those who fail to obtain a baton are eliminated.

#### Iron Man

Competitors cover a 1.6 km course that includes a swim ( 400m. for Man / 200m for Woman ), a beach run ( 400m for Man/ 200m for Woman ), a board paddle ( 400m for Man / 200m for Woman ), a beach run ( 400m for Man / 200m for Woman ) to cross the finish line.

#### Beach Sprint

Competitors take their positions in their allotted lanes. At the starting signal, competitors race the 80 m course to the finish line. The finish is judged on the competitor’s chest (only) crossing the finish line. Competitors must finish the event on their feet in an upright position.
